* = final cost can vary depending on factors such as additional details, props, specifications, # of characters, incorporation of text/graphics and amount of back and forth the client needs. Please reach out for quote!

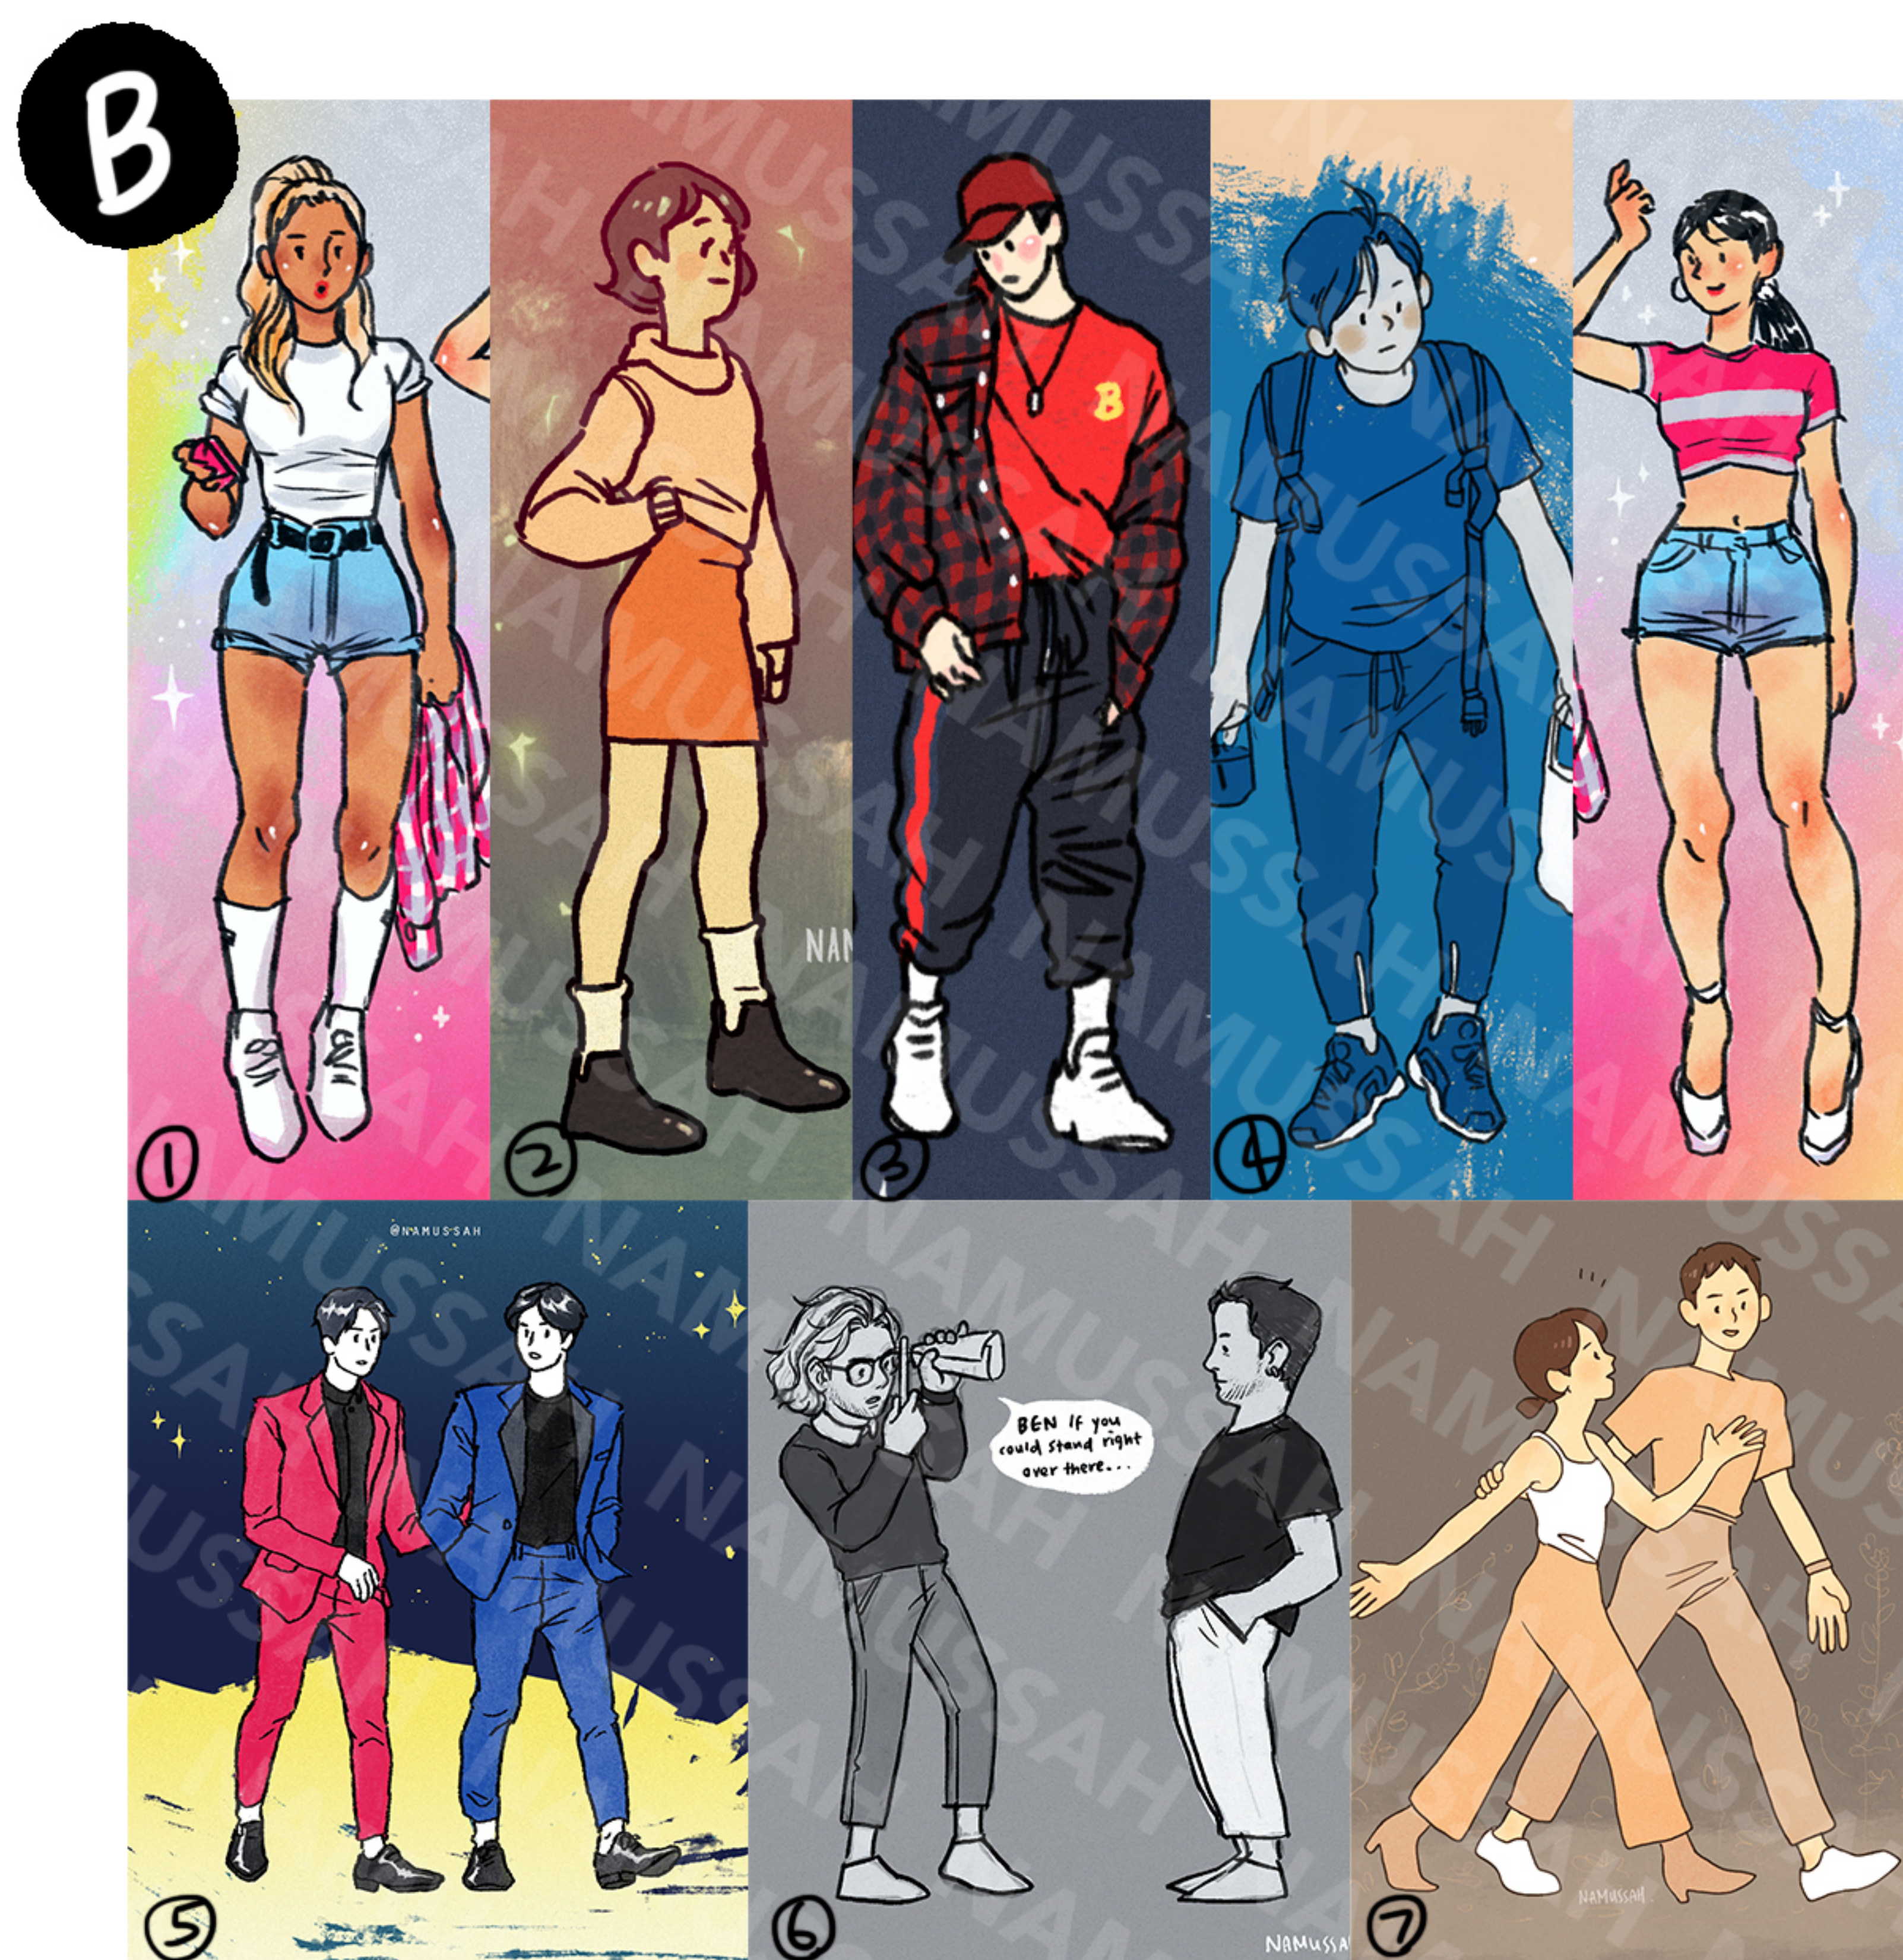

\$15 - \$25*

Cute and simple- ideal for when you need a new icon for your socials! Headshot/bust in a simplistic style. Limited color palette; 2 to 3 colors (can be provided/selected by client). Basic background, flat color or small accents/handwritten text is available.

\$50 - \$60*

Full body stylized illustration. Simplified background, minimal shading, free range for color palette. Details in accessories and accents (sparkles, flowers, props) Works well for gifts to individuals, couples, as fashion illustrations, OC illustrations etc. (Price goes up with # of people)

\$75 - \$85*

This section is for portraits (bust and up) focused on capturing likeness but still true to my artistic style. With minimal shading and conventional painting techniques, the individual is captured instead with characteristic linework, delicate hatching and expressive color.

Color palette is free range, catered to your liking.

Reference photo(s) are required.

Higher end of cost factors in # of people, additional accessories, details and accents in the background etc.

PART ASIAN - 100% HAPA

A Discussion on Mixed Race and Ethnicity

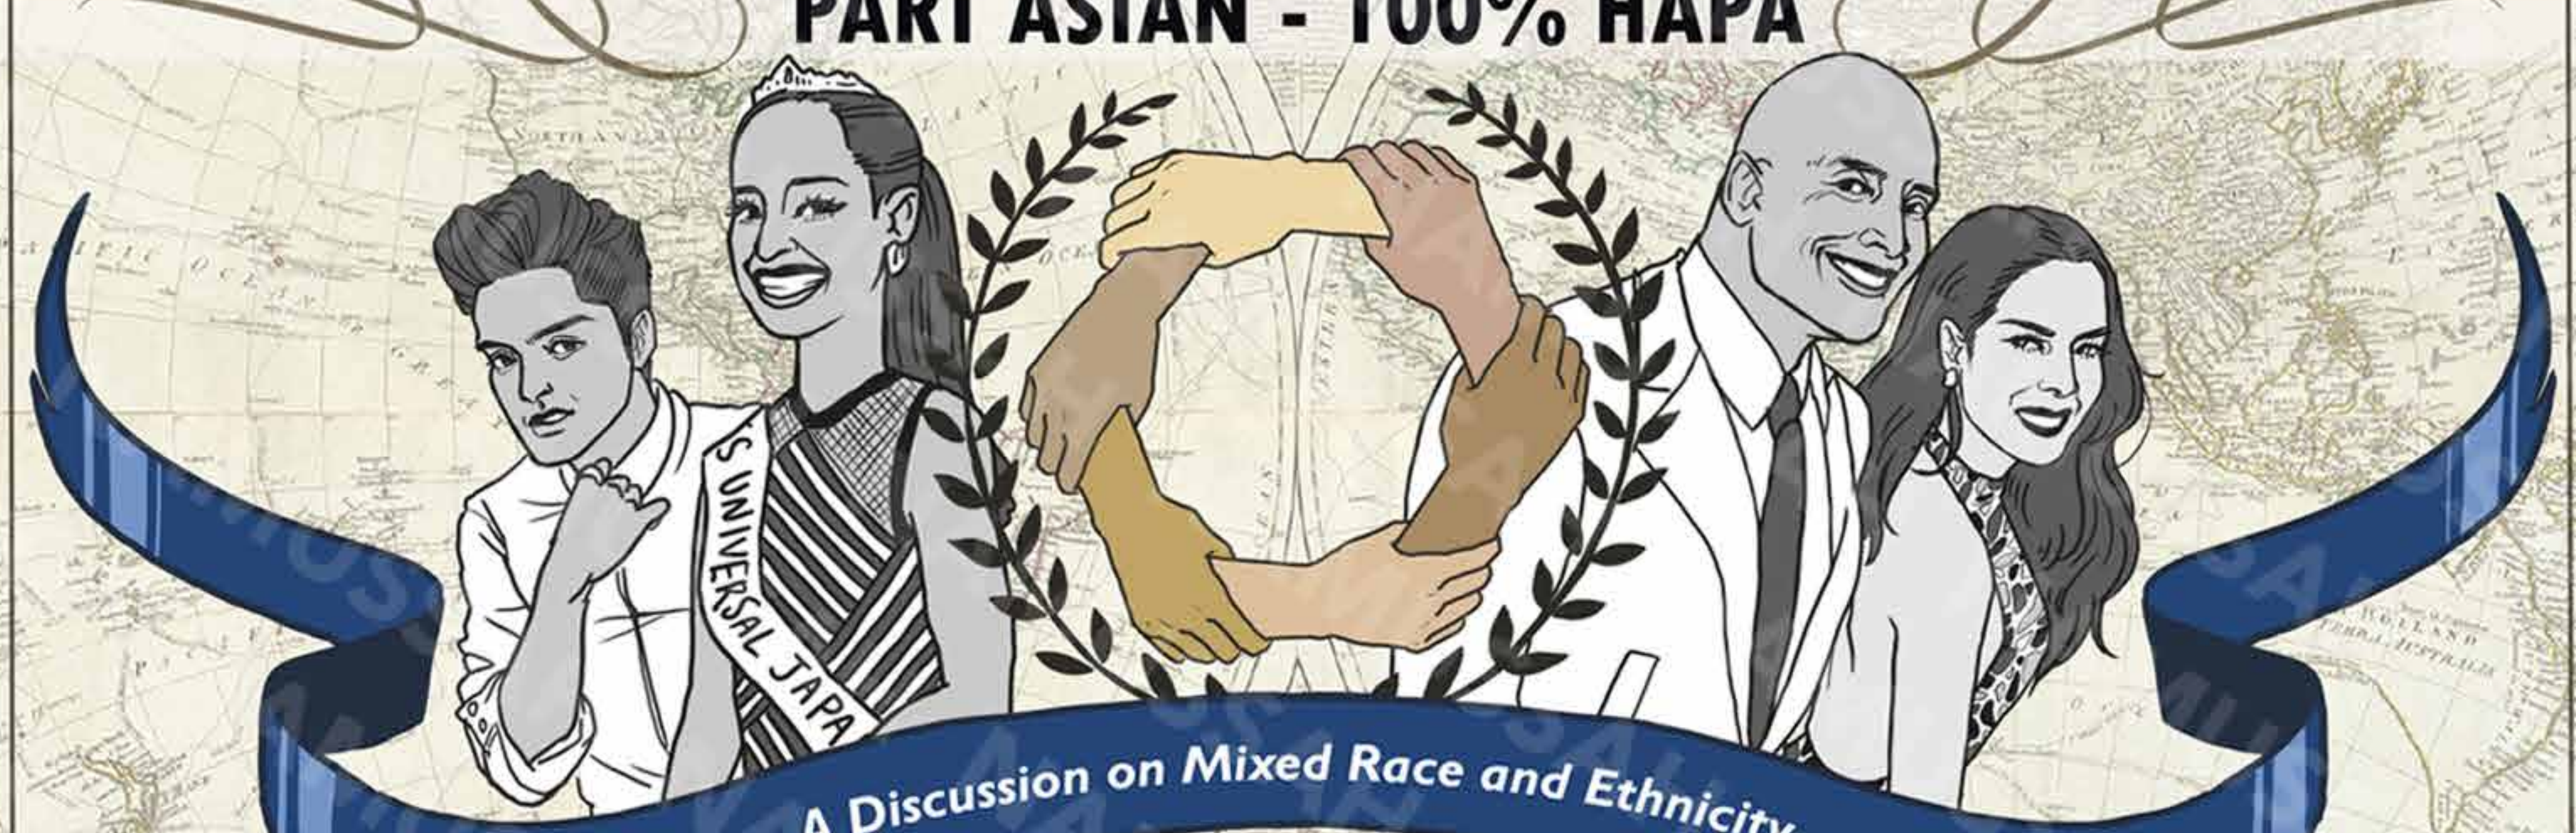

Hapas have often been labeled as "exotic" or "strange mixes", but are the multiracial/ethnic people the future of America... and the world?

Inspired by the book *Part Asian-100% Hapa*, members of the MSSC expand beyond the API community through a panel discussion on mixed race and ethnic identity.

Date: Thursday, April 14th
 Time: 7:00 - 9:30 pm
 Place: Multicultural Student Service Center 209
